Re: Multi-Plex Expansion Project Groundbreaking

Dear Mr. Timmons and Lacombe County Council

On Friday, June 19, 2020, the Town of Blackfalds will be celebrating the groundbreaking of the Multi-Plex Expansion Project; future home of a twin ice surface, Blackfalds Library and AJHL Franchise.

This much-needed expansion will offer residents and visitors alike an exciting new space where arts and culture meet recreation.

It is our great pleasure to invite you to participate in the groundbreaking ceremony, commencing at 12:00 p.m. at 5302 Broadway Ave. Activities will include speeches from dignitaries, Town Council, boards and committee representatives, followed by a ceremonial golden shovel dig.

Due to COVID-19 restrictions, we will not be opening this event to the public, but instead will be live-streaming the groundbreaking with a few chosen individuals attending, including members of various committees, boards, staff, and Council.

Special thanks Lacombe County and the Dual Ice Development Society for their support.

Please RSVP to Shelby Craig, Communications Coordinator, at 403.885.6241 or email [events@blackfalds.com](mailto:events@blackfalds.com).

Sincerely,

A handwritten signature in cursive script that reads "R Poole".
