Ms. Paula Law  
Reeve  
Lacombe County  
RR 3  
Lacombe, AB T4L 2N3

Dear Ms. Law,

We have been advised that Lacombe County has chosen not to proceed with a full ALUS program at the end of our three-year Memorandum of Understanding. While we are disappointed, we have met with your staff and understand the reasons for not continuing beyond the piloting phase.

Please be assured that we worked cooperatively with County staff to understand and resolve issues. The impediments to adopting a full program at Lacombe County will be seriously considered and will inform improvements in the ALUS program. We are committed to continuously refining and improving the ALUS program and our partnerships.

ALUS Canada will continue to support the farmers and ranchers in Lacombe County who chose to participate in the program. We will contact each participant to discuss the transition. Our staff will also work with Lacombe County staff to finalize financial and other details to conclude our Memorandum of Understanding.

On behalf of ALUS Canada, I would like to thank you, your council, and staff for participating in the ALUS program.

Please do not hesitate to contact me if you have any questions.

Sincerely,

Bryan Gilvesy  
CEO
