RE: Red Deer River Municipal Users Group Membership

At its most recent meeting on March 29th, 2021, the board of the North Red Deer River Water Services Commission passed a motion recognizing the important role that the Red Deer Municipal Users Group plays in the protection and stewardship of the Red Deer River Basin:

MOVED by Mayor Poole:

WHEREAS the Commission recognizes the Commission's vital responsibility to the citizens it serves that depend on the Red Deer River do its part to ensure an enduring healthy Red Deer River system with sufficient flows through all seasons to sustain communities, the economy and healthy aquatic environments today and into the future and

WHEREAS the Commission recognizes the unique and important contribution provided by the RDRMUG on behalf of all municipalities in the Red Deer river sub basin to make this goal a reality:

BE IT RESOLVED THAT the Commission direct the CAO to send a strongly worded letter to all member municipalities strongly encouraging them to either become or continue to be active contributing members of the Red Deer River Municipal Users Group.

Accordingly, I am sending you this letter asking that you champion your community's new and/or continued membership in the Red Deer River Municipal Users Group. The Analysis, Tools, and Action Plan produced by the RDRMUG provides an important framework for caring for the watershed upon which all our members rely.

North Red Deer River Water Services Commission

The NRDRWSC considers it each member's responsibility to protect their water source for future residents. The RDRMUG is one way to advance this goal, and as such, I strongly encourage you to consider membership in your future operating budgets.

If you have any questions, feel free to contact me.

Sincerely,
