Dear Reeve Paula Law:

Further to my letter dated February 3, 2021, I confirm that the Government of Alberta reinstated the Coal Policy on February 8, 2021. While this is a positive step, we must continue to be actively involved in protecting the Eastern Slopes of the Rockies. While the Coal Policy has been reinstated, coal exploration in these areas continues, which is concerning.

The Government of Alberta has indicated that it will begin public consultation on March 29, 2021. Please continue to send letters and have your voice heard as part of these discussions. We must ensure that these lands are protected for future generations to come.

If you have any questions, please do not hesitate to contact me directly.

Thank you,  
Louise Albert on behalf of Mayor Craig Snodgrass
