Dear Tim Timmons:

RE: Municipal Operating Support Transfer Program

I would like to take this opportunity to Thank You and Lacombe County Council for the support from this program. COVID-19 has impacted us in our ability to fundraise extra money for the construction and the overhead of the building, so this thoughtful gesture will be put to good use.

We the Haynes Hall Board, as well as our Community Members, would like to extend our Thank you to the support you have given us over the last year. Council has been so generous to us and we want you to know we appreciate that dedication to our community.

Sincerely,

Jackie McPherson

Treasurer

On behalf of the Haynes Hall Board of Directors
