Mrs. Kreil inquired if the County could work with agricultural businesses to have copies of the Lacombe County Agricultural Guide available in their stores.	Mr. Timmons commented that it would be difficult to decide where to place the Guides and there is also a cost to mass producing the document. Mr. Timmons commented that the Guides promoted through the County News and social media.		
Mrs. Kreil advised she has email contacts for some ratepayers and could advise them where the Guides are being placed. Mrs. Kreil commented that ratepayers are not going to go online or come into the office to receive the Guide.	Mr. Timmons advised Mrs. Kreil to inform her ratepayers they can request a written copy from the County office.		
Mrs. Knight inquired if all Councillors could be provided with copies of the Guide that they could provide to ratepayers.	It was agreed that Councillors will contact Ms. Makus to advise her how many copies are required.		
Mrs. Knight advised that at the northeast entrance (east side) of Mirror the sign has been blown down.	Mr. Timmons will arrange to have the signed repaired.
